

THE KINGSCOTE BARN

Team Tournament Challenge & Motorised Activities

9:00am Delegates arrive and are greeted with tea, coffee and warm pastries.

9:30am Delegates are split into teams and are briefed on activities before going to the nearby fields for field events & brain testing activities!!

Pyramid, The Swamp, The Matrix, Colour Connections, Rollercoaster 'Team Construction' Challenge.

A variety of fun and challenging activities combining team building with just a hint of competitiveness. Once all teams have completed all challenges the scores and the winning team will be announced.

12:30pm Delegates break for a finger buffet lunch (menu upgrades available).

1:15pm Delegates are split into teams and are briefed on the afternoon's activities before going to the nearby fields for an afternoon of motorised fun!!

Choose from the following activities:

Blind Landrover Driving: Your success depends on the communication within your team.

Power-Turns: These fun vehicles steer by way of levers rather than a conventional steering wheel. To get round the tricky course in the best time possible the pairing will have to communicate well and stay focussed.

Quad Bike Challenge: Ideal for team relay events as well as individual time trials.

Segway's: These 2 wheel motorised vehicles depend upon your sense of balance to get round a twisting course, ideal for relay events and individual time trials.

4:00pm: Teams return to the barn for tea, coffee and cakes before departure
