Happily Ever After...

“Kingscote really was the perfect place for us to get married, it provides the most beautiful setting.”

“Our day really was perfect and most importantly for us, relaxed. Getting the barn ready in the morning was such a joy as I got to see months of planning coming together and it was such a calm atmosphere, thanks to the amazing staff. I was then able to go and put my feet up and be pampered in the most beautiful dressing room.”

“The whole day ran like clockwork, they pulled off our vision perfectly, with the gin cart and delicious canapes being a stand out. All our guests commented on the quality of the food and how stunning the venue looked, but also on how smooth and relaxed the entire day went!”

BEST DAY OF MY LIFE
